Enter	the child's name
Chil	d's last name*
Enter	the child's last name
Date	e of Birth (from 6 to 9 years) *
Enter	the date in the format 01.01.2015
Sch	

Step 5: Participate in the skills assessment by helping your child answer the questions. Some questions in the assessments are designed for parents. The assessment includes different question mechanics that require various actions. Follow the instructions provided.

1/22	Choose three statements that best match your child's interests. Start with the most pronounced interest. My child most often enjoys
	coming up with models and designs, taking toys and devices apart to see what's inside and how it works
	participating in plays or concerts, singing, dancing, drawing, decorating interiors
	socializing with peers and adults, meeting new people
	playing chess or other intellectual games, taking part in quizzes and science Olympiads
	watching educational shows, research, experiments, and testing themselves
	any sport, playing all sorts of active games
	making things with their own hands, crafts, jewelry and products from different materials
	taking care of animals, playing with them, training them
	taking care of plants, asking various questions about plants
